## METHODOLOGIES FOR CONDUCTING RESEARCH ON GIFTEDNESS (HARDBACK)

American Psychological Association, United States, 2010. Hardback. Condition: New. Language: English. Brand new Book. Despite the fact that our society prizes gifted children, research on their special talents is underfunded compared with other areas of education and suffers from a number of methodological challenges. These challenges include (but are not limited to) the fact that definitions of giftedness are not standardized; that test ceilings are often too low to measure progress or growth; that comparison groups for exceptional individuals are...
